Advanced Crowd Control Suit

FEATURES:

• **One size fits most adjustable extremity panels**
• **Body side spacer mesh**
• **Laminated outer material**
• **Impact polymer shell**
• **Adjustable straps with two attachment options:**
      o **G-Hook**
      o **Synch through**
• **Arms and legs use an adjustable daisy chain elastic strap, allowing each component to adjust to the user**
• **Thigh panels can be removed from the daisy chain to allow thigh holsters and drop legs**
• **Belt with hip pads come with set, but can be replaced with Duty, Gun, Instructor or Riggers belts**
• **Forearm to elbow and shin to knee have an expanding hard connection which allows the elbow and the knee to stay in the correct spot while kneeling or bending the arm**
• **Front and back 2"x 7" I.D. panels ordered separately**
• **Front has a 2"x 2" rank patch area**
• **Back has an A Frame drag handle**
• **Hand protection fits securely to the wrist making sure they don't come off during struggles and allows other gloves to be worn**
• **Front, back, forearm and thigh can take panels**
• **Stiffened belt to support hip pads, drop legs, and thigh protection (Can be substituted for pistol or gun belt)**
• **Hand protection can be used with additional glove protection (not included)**
• **Expanding chain joints to allow panels to stay in proper location during movement (IP Pending)**
